Hi everyone!

A big welcome to all our new members/casual non-members! Thank you to everyone who is recommending us to friends and colleagues. It is nice to see so many new faces coming out with us and being made to feel very welcome.

PROMOTE YOUR BUSINESS
Contact me if you have a business you would like to advertise in this newsletter and/or on our website!

Thanks also to everyone who helped make my Mum and Frank's holiday so fabulous. They thoroughly enjoyed coming along to functions and putting some faces to names I have mentioned!! They are back in sunny Manchester now, where the temperature is a tropical 8 degrees!!

What a great time we have all been having! Ribaud's food was sensational as was Joe as singer/DJ so this will continue to be one of our regular functions. NYE at the Pagoda was fabulous as always. Make sure you keep next NYE free for so that you can join us. Because of this landmark's rich history (including accommodating soldiers during WWII), we decided that it'd be the perfect place to have a drink to kick off the ANZAC Day long weekend.

Everyone loves our river cruises and, of course, our Australia Day was wonderful. It was so relaxing with no crowds, and a great view of the fireworks. I think we will do the same next year so mark it in your diaries. In the meantime, you have just one more chance this season to hop aboard the Sea Reward so be sure you book early and don't miss out!

You will see that The Big HOO HAA!! is back on our calendar - due to popular demand. This is always a sell out too so BOOK EARLY! We are also off to the greyhounds at the end of March. As they say, it's always a BIG night and lots of fun. If you like a little flutter or just a little something different then this is a very good bet!

Take care and see you SOON!

Susie Q

PS. Please note the new function on Friday 19th February. We're going to the Publican on the Friday instead of having the function we had planned for the Saturday. This is because my Xmas pressie from Dave was a ticket to see George Michael (swoon) which is on the Saturday. I am sure all the ladies will understand my decision to change the function!
